PLEASE COMPLETE WITH AS MUCH DETAIL AS POSSIBLE.

Is this dog an entire male?

Please note, our House Rules state that entire males will not be played with other dogs. It is not a reflection on the dog himself as entire males can be extremely social and well behaved, it is more so because the dynamics of the group of dog's changes considerably and therefore makes it an unstable environment, and can lead to fights. We have a duty of care to all clients and will endeavour to do our best to assess all dogs to find them suitable playmates. Their playtimes will be one dog per yard and will be given the same time as a group.
