=====

This is a Contract between Elcho Park Boarding Kennel and Cattery Pty Ltd, trading as The Pets Hotel Country Club (hereinafter called The Pets Hotel Country Club) and the pet owner whose signature appears below (hereinafter called "Owner").

I understand that The Pets Hotel Country Club in general circumstance would bath my dog prior to check-out.

I am aware that there are various sensitive skin products available as well as the ability to provide my own shampoo.

Based on the advice provided to The Pets Hotel Country Club by the pet's veterinarian, I request that my pet does not receive a bath prior to departure from The Pets Hotel Country Club.

It is also understood that due to my dog's behaviour and any interactions with other dogs, this may result in my dog not being as fresh smelling or clean as desired upon departure.
